Trophy: Cecil Kimber Centennial

Points only count when there is a minimum of two competing in the event and the competitor must have competed in three different events to be eligible for the award. (DM Sydney 2009) All events may therefore not count. (DM 1994)

In the case of a tie, then the entrant who competes in the larger class will be declared the winner. The larger size will be determined by the number of Concours entrants per class, however there must be a minimum of two entrants in the class in the Concours for the entrants to be eligible

Trophy: Golden Gudgeon

Points only count when there is a minimum of two competing in the event and the competitor must have competed in three different events to be eligible for the award. (DM Sydney 2009) All events may therefore not count. (DM 1994)

In the case of a tie, then the entrant who competes in the larger class will be declared the winner. The larger size will be determined by the number of Concours entrants per class, however there must be a minimum of two entrants in the class in the Concours for the entrants to be eligible

Classes: D, E and F; plus check T-Types in X.

Fudge factor included
